

SACRAMENTO RIVER CATS PUMPKIN CARVING STENCIL

1. Print & Prepare

- Print this River Cats carving template on standard 8.5" x 11" paper (black and white).
- Trim around the edges of the design if desired for easier placement.
- Make sure your pumpkin is clean, dry, and smooth where you'll place the stencil.

2. Tape & Transfer

- Tape the paper directly onto your pumpkin.
- Using a pin, thumbtack, or small nail, poke holes along all black lines of the design to outline your River Cats logo or artwork.
- Once the full design has been dotted, carefully remove the paper – your carving guide should now be visible.

3. Carve Safely

- Always carve away from your hands and body.
- Start with the smallest details first, then move on to larger cuts.
- Use gentle, sawing motions with your carving tool – don't force it.

4. Show Your Spirit

- When finished, show off your River Cats pride by sharing your pumpkin with us on social media!
